That yesterday! What were you planning!!
Pulling off a stunt like that!
SLAM
Now
It's an order from the top you know~
Now
AHH MY PROJECT
He's not really that popular is he?!
Besides, that column
what we're dealing with is a topic on celebrities, it's also a serialized project?!

In the first place, why does it have to be me!?
—Well
It'll be fine since he has the face of a model or an actor isn't it
Besides, with classical,
how do you plan to attract young women nowadays?
We work on a gossip magazine for women?!
My family
is known as the music family. My father is a conductor, my mother and sister are violinist.
For this topic, I felt that no one other than you was suitable
I too, as a matter of fact, played piano up till senior high
I'm the only one who became an ordinary person entirely...
Crown Prince & Shinkirou

For a guy who can't even read numbers, I'm unable to escape the valuable page of the magazine.
Interest— rather than that,
You're frank as usual~~
—So? Did that guy pique your interest?
Our superiors will get angry.
EH! NO WAY!
Stop it!
Ah.
He said that I could refuse this job if this didn't interest me

He has also appeared as a guest conductor in the Berlin Radio Orchestra and Baratier Concert and such.
And this is his first performance in Japan—

For the first time, I got to know how soft lips were—

I've got some good shots here~
How should I put it, as I thought, I'd die to shoot photogenic guys!
Right now I'm going back to the office
Today's shots, can you send it to the office now?
Hm? It's okay though
That's sudden may I ask when it will be issued?

It'll be issued next month...
I wonder if the manuscript can't be changed at this stage
Next month's issue?!
But it's time for the second proof isn't it?!
Reaaaally What happened!
That's right this is unlike me.
Especially when the next issue is already in the editing stages.
It would have been fine to just include it in the next issue

Next month's issue column
Even though that's how I would have usually thought
We're going with『Sakaki Akito』.
Crown Prince & Shinkirou
Once the gear was set and things started moving
Even I could no longer stop it.
That's because it's my job!!
It's suspicious when you say such things~~~
You're wrong!!
You're in love?!
I'm also aiming for him~
But that wouldn't be allowed~!
Aaah!
